Website links for information and fun and interactive phonics and reading with your child

The internet offers a wealth of fun and interactive learning opportunities for your children, however please ensure that you stay with your child while they are interacting with these games. This should be a shared learning experience. We cannot be held responsible if your child clicks on a different link that is available on one of the pages that we are sharing above. Please talk to your child about the importance of staying safe online and to tell you if something upsets them that they have seen or heard online.

Please click on the picture below for more information about keeping your child safe online.

Here at Damson Wood we teach your children to read and write using the 'synthetic' approach to teaching and learning phonics. Download our Phonics Booklet to find out more details.

When you have read the booklet, support your child's learning by watching the following Jolly phonics videos. In FS2 (Oak and Elm) children are taught 4 new letter sounds a week, all of which are identified in your weekly phonics newsletter. By learning a song and action for each letter, your child is learning in a fun and interactive way, indeed you'll be singing along in no time!!!

It is essential that all the letter sounds (phonemes) are pronounced correctly when supporting your child in reading. Please watch both the videos below for the correct pronunciations.

We do you hope you enjoy supporting your child in learning to read. If you do have any questions, as always speak to your child's class teacher.

Happy reading!!

The more that you read,
the more things you will know.

The more that you learn,
the more places you'll go.
