

Help your child succeed in the early years: Build the habit of good attendance

Did you know that attending school everyday and arriving on time every day is important to your child's success and learning?

By making sure your child attends Nursery or Reception each day on time you will help them to:

Develop their knowledge of school routines and expectations meaning they will feel comfortable and secure in a new environment.

Develop social skills and friendship groups.

Develop positive relationships with staff and children.

Take part in all aspects of the Curriculum.

Not miss out on exciting new experiences.

Being absent from Nursery or Reception can:

Make it harder to develop early reading skills

Make it harder to build positive relationships with staff and other pupils

Develop a poor attendance pattern that is hard to break

The routines your child develops in Nursery and Reception continue throughout school. You can make the most of Early Years by encouraging your child to attend every day.
