Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

Academic Year: 2025/2026				
Key indicator 1: The engagement of <u>all</u> pupils in regular physical activity – Chief Medical Officers guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school				Percentage of total allocation:
				37%
Intent	Implementation		Impact	Sustainability
All children to have a minimum of 30 minutes of outdoor play during lunchtime and 15 minutes of outdoor play throughout the school day. Children to be as active as possible during this time. All children will be given the opportunity for active minutes.	Appoint a Playworker to organise, resource and implement structured games specifically with the intent of encouraging all children, especially those who are less active, to take part. Trim trail was built outside to encourage movement.	Physical Resources £400 (2hours@£15ph over 39 weeks) = £5,850 £6250	- Removes barriers to play. - Provides a varied and flexible environment, rich with possibilities. - Helps facilitate opportunities for children to engage and take risks. - For the castle, there is an increased opportunity for cross curricular learning.	More pupils meeting their daily physical activity goal, more pupils encouraged to take part in PE and Sport Activities.

Key indicator 2: The profile of PE SSPA being raised across the school as a tool for whole school improvement			Percentage of total allocation:
			4%
Intent	Implementation		Sustainability
Year 2 children supported in attending swim and water safety sessions.	Swimming Instructor, swim support coaches and pool hire.	2 x £250 swim instructor and support coach for morning session Pool hire = £150 for morning session £650	Children receive introduction to water safety and initial swimming session. Help to build water confidence and understand different strokes.
			The skills and confidence gained through the programme will remain with pupils and can be shared with peers, helping to promote participation in swimming across the school in future years.

Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport			Percentage of total allocation:
			39%
Intent	Implementation		Sustainability
Members of teaching and support staff in the 4 classes to observe a professional coach delivering two sports sessions per term to each class	Teachers supported by a professional sports coach, engaging in per-lesson delivery discussion around planning, intent and expected outcome, followed by a review after the session is complete.	£6575	Enables teachers to feel confident in delivering high quality PE lessons, making sure they are achieving the national curriculum objectives with progression available.
			Staff will continue to use the skills, lesson ideas and assessment strategies developed through coaching support, ensuring high-quality PE provision is sustained across the school for years to come.

Key indicator 4: Broader experience of a range of sports and activities offered to all pupils				Percentage of total allocation:
				20%
Intent	Implementation		Impact	Sustainability
Use the Local Authority's South Solihull Sports Partnership to deliver training in athletics in anticipation of the school attending Solihull Borough Sports.	SSSP diarise to attend the school and deliver a package of varied sports coaching around the areas that the children will compete in at borough level.	£1750	Opportunities to represent the school in the community. They are taught rules that can be applied to competitive games. Children come each week to work as a team but also improve their personal best. Pupil premium and SEND children are signing up.	The equipment purchased will be used for future PE lessons, clubs and competitions, providing long-term value for the school. Increased participation in clubs will help establish healthy habits and encourage sustained engagement in physical activity.

Key indicator 5: Increased participation in competitive sport	Percentage of total allocation:

Intent	Implementation		Impact	Sustainability
To offer as many competitive sport opportunities as possible for children to attend within the SSSP.	Most clubs, which are run by teachers, will be in line with our sporting calendar so that it gives us the best opportunity to attend events, with children understanding the rules.	Within our SSSP.	A variety of children attend competitive events throughout the year for varied sports. The competition calendar has a wide selection of events, which helps target a lot of different children. These children are then celebrated in our whole school assembly and on the newsletter, which inspires other children to take part.	A culture of participation and competition will continue to be embedded across the school. Pupils will develop confidence, teamwork, resilience and sportsmanship that can be transferred to future sporting opportunities and wider school life.
