Friday 5th June 2026

Dear Parents and Carers,

As the end of the school year is fast approaching, we wanted to take the opportunity to share the upcoming events that are planned for your child. We hope that you find this useful in not missing any events that you wish to attend. Some of these events are linked to Year 2 leavers and others are part of the wider school calendar. We have outlined the events below, including the dates and times, along with things that may be needed. For some events, an additional letter will be sent nearer to the time.

If you have any questions about any of the events, please come and speak to us and we will be more than happy to help.

Thank you for your support in helping us to make your child's final few weeks at Damson Wood happy and memorable ones.

Mr. Wilcox

We are taking the children to Tamworth Castle where the children will have the opportunity to learn about the Castle as a defensive structure, who would have lived at the Castle and what it took to be a squire/knight in the medieval times. The trip will take place within the school day, so children can be dropped off at the usual time. They will return to school for normal collection time.
